Acuity Docklands is the new London training centre for Acuity Training who have been providing quality on and off-site training for a wide range of corporate clients for many years.

Acuity Training aim to help you develop your IT, Management and Personal skills through our wide variety of courses.

Our trainers together have years of experience working within commerce and industry, designing and delivering training programmes for multi-nationals, SMEs and small private firms.

More importantly, they really enjoy what they do.
